

project idea #01

# bon bon box

ideal for sweets  
or miniature presents

## instructions:

1. Copy or trace pattern on card stock or heavy-weight paper, enlarging if needed.
2. Cut out on solid lines.
3. Score dotted lines and fold inward. Glue or tape flaps. (Note: The square base will be on the outside of the box.)
4. Using a small hole punch, make holes as marked. Thread ribbon first through single holes, then out through double holes.
5. Line with tissue and tie with a decorative bow on top.

## materials:

- heavy-weight paper such as translucent card stock
- sharp X-Acto knife or scissors
- tape or glue
- hole punch
- tissue paper
- ribbon
